WORKING WITH

CD. ACUÑA, México, MacMED MEDICAL CAMPAIGN April 19-26, 2025

MacMed is ready for the medical project in Cd. Acuña, México. Brother Juan Gallegos and the churches in the area are ready for the campaign.

We will be visiting different areas where Brother Gallegos and other pastors desire to help their people in both ways, spiritually and physically.

A MacMed team of 18 people from

different states in the US will be working hand in hand with the brethren there giving medical care and at the same time sharing the gospel of Jesus Christ.

Please pray for safety as we travel to México and that God will prepare the hearts of the people there to hear the gospel.

PERU MacMED MEDICAL CAMPAIGN October 17-25, 2025

Brother Juan Angulo and Brother Ormeño from Perú have invited MacMed to come over and help them in Trujillo with a medical campaign.

We will be working north of Trujillo in the city of Cascas where Brother Yorlly has worked for 3 years. We will also work with Brother Juan south of Trujillo in the city of Chao.

Doctors of all specialties plus nurses and other medical professionals are needed on this trip. Nonmedical volunteers are also of great importance to the team.

The opportunities to share the gospel through the medical campaign are many, and we must take this great opportunity to do it.

If you would like to participate, please let us know and we will send you all the information on this project. You can contact us at Macedonian's phone number (606) 677-6683 or by email to secretary-ky@macedonianms.org.
