

MISSIONARY

October 2024

DR. HUGO MALLOZZI MACMED DIRECTOR

WORKING WITH

TRANS WORLD RADIO
&

THE MACEDONIAN CALL RADIO BROADCAST

With the Macedonian Call Radio Broadcast, we join hands with churches and pastors to take your gospel work from the four walls of your church building to brothers and sisters the world over.

We share your vision to reach every person in every corner of the earth with the good news of Jesus. Media can take your ministry to the world; but how?

That's where we come in. Through the Macedonian radio ministry, you have access to the whole world. It depends on the heart of the ministry: Where do you have a passion to go and reach? Latin America, Africa, Asia – they are all available through our radio programs.

TESTIMONIES FROM SOME OF OUR LISTENERS

A Listener in Cuba. "Since I tuned in and listened to "Iluminando mi vida" program for the first time this year, my family has not missed a single program. We enjoy it. It is a blessing to us. We would not be able to understand the word of God clearly on our own, but your broadcasts give us a real exposition of the Word." Thank you, Lord. You bless the work of Macedonian!

A Listener in Chile. I thank you for your program, because it blesses me and my spirit is built up!

PRAYER PARTNERS

There are so many ways you can support the Macedonian Radio ministries, not the least of which is one very crucial spiritual discipline: **Prayer**. Prayer not only connects you to the inner needs of our ministry, but to your brothers and sisters in Christ and most importantly to the Lord himself! In many ways, there is no greater act of commitment.

SOUTH SUDAN MEDICAL PROJECT (Feb 26 – March 12)

We are excited to announce that the MacMed Team will be working with **Missionary Ernie Hopper** in East Africa/ South Sudan and surrounding areas. This will be an exciting campaign that will offer a unique cultural experience! Act fast because this trip will fill up quick.

The Sudanese People need your care! We are praying for General Doctors, Nurses, Dentists, Podiatrists, Chiropractors, Optometrists and all others who have a heart to serve on this medical campaign. We are excited to see The Team come together!
